“Freedom’s Price Has Been Paid”

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.

Galatians 6:9-10

In the United States, on July Fourth, Americans celebrate Independence Day. One of the things that people need to be reminded of is that freedom isn't free. In this world, someone always pays the price for people to be truly free. For example, the 56 signers of the Declaration of Independence: Did you know how much they risked for your freedom?

If they won the war with the British, there would still be years of hardship as a struggling nation. If they lost, they would face a hangman's noose. And yet there it is where it says, “We herewith pledge, our lives, our fortunes, and our sacred honor.” They signed it, but did you know what price they paid for those signatures?

In a broadcast on July 4, 1974, Paul Harvey reminded us

* that Carter Braxton, a wealthy planter and trader, after signing saw his ships swept from the seas to pay his debts. He lost his home and all of his property. He died in rags;

* that Thomas McKean of Delaware was so harassed by the enemy that he was forced to move his family five times in five months. He served in Congress without pay – his family in poverty, and in hiding;

* that Thomas Nelson, Jr. of Virginia raised \$2 million on his own signature for provision for our allies, the French fleet. After the War he personally paid back the loans, wiping out his entire estate; he was never reimbursed by his

government. He died bankrupt;

* that John Hart was driven from his wife's bedside while she was dying; his 13 children fled in all directions for their lives. His fields and gristmill were laid waste. For more than a year he lived in forests and caves and returned home after the War to find his wife dead, his children gone, and his properties gone. He died a few weeks later of exhaustion and a broken heart.

Of the 56 signers of the Declaration, few were long to survive. Five were captured by the British and tortured before they died. Twelve had their homes – from Rhode Island to Charleston – sacked and looted, occupied by the enemy, or burned. Two of them lost their sons in the Army; one had two sons captured. Nine of the 56 died in the War from its hardships or merciful bullets. They had learned that liberty is so much more important than security, and for that they pledged their lives, their fortunes, and their sacred honor. They fulfilled their pledge; they paid the price, and freedom was born.

It's hard to imagine paying such a price so that others might be free. But then, we're reminded of the price Jesus Christ paid for our freedom, not just politically for the moment, but eternally for all time. In order to save us from our sins, God literally had come into our predicament, as the God-Man, to live our life perfectly, to pay the debt for our sin personally, and to give us the eternal life He earned as a gift, received by grace alone, through faith. So when it comes to freedom, yearn for the freedom that comes in Christ alone more than any of the other freedoms combined. You'll be blessed if you do!

Pastor Karner

1 Thess. 5:23-24

May God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ. The one who calls you is faithful and he will do it. — 1 Thessalonians 5:23-24

At the Summer Potluck Supper, we enjoyed food, fellowship and updates of our activities. The May Bake Sale raised over \$300. Adding \$200 from the treasury, we donated \$200 to Pastor Bridges Scholarship Fund, \$100 to the Radio Ministry, \$50 to Hands of Grace and \$50 to Zion Meals for the Needy.

Items for **HANDS OF GRACE**, an outreach of St. Paul's Lutheran Church in New Hartford, were collected and will be delivered to New Hartford for distribution to the people they serve.

The next meeting will be held Thursday, September 7th in the Old School Basement.

MISSION GRANT STORY

The LCMS Ministry to the Armed Forces supports almost 200 chaplains, who represent the church on

active duty, the reserves, the National Guard, and Civil Air Patrol. Chaplains meet the needs of military personnel and their families. We care deeply for those men and women who currently serve in our armed forces and they are in our prayers. But for those pastors who have put on the uniform of our military, and for those who served our nation and live in our communities, there is deep gratitude.

Chaplains host Bible studies, lead worship in chapels, tents, and training areas. Chaplains do marriage counseling, marriage seminars, battle-ready training, and death and bereavement counseling. They perform marriages, baptisms and funerals. Often their "congregation" is made up of many hundreds of thousands. And, their congregants don't always come to them; the chaplains go to them to meet their needs. Chaplains are on flight lines, tank ranges, in shipyards, hospitals, even foxholes. They go where there is an opportunity to touch a life. Military men and women are often young and have young families. Many have never been a part of a church and know little to nothing about the spiritual resources available to them. Chaplains, with the help of the Holy Spirit, can open their hearts to hear the Word of the Lord and know Jesus as their Lord and Savior.

PRAYER: O Lord, There are many of our troops who don't know You. Father, I pray that as our chaplains reach out to share the Good News with our troops who have not made Jesus their Savior and Lord, You will send the Holy Spirit to open their ears and hearts. The lost will stay lost until they are found. Father, may You find them today! Draw them to You! In Jesus Name, Amen.

ATTENTION !!!

On Sunday, August 13, the Bristol Half Marathon will result in delays for motorists trying to reach downtown Bristol, beginning around 8:15am when the first runners will be entering downtown via the West End. Traffic at many intersections will be halted as the runners pass. We suggest you go online to [2017 Bristol Half Marathon & Relay](#) and click on **Course Map** to see the route the runners will be taking, *so that you can plan your drive to church that morning!*

Hope all of our "over age 50" members and friends are enjoying a pleasant summer and are looking forward to our three planned Daytrips this summer. On June 1, over 50 of us enjoyed our annual Picnic lunch in the old school basement (OSB) and heard about our special summer lunch daytrips.

Yes, we don't serve lunches during the summer in the OSB, but this year we have made special plans to **eat out** on the 1st Thursday of each month at 11:30. It will be a **Surprise Daytrip** that includes a very nice special restaurant and an interesting other activity. No need to sign up at all, just come with about \$25 in your pocket. Don't worry about driving, unless you wish to drive others, as we will carpool to places outside of Bristol, like Litchfield or perhaps New Britain. Why stay home this summer; come on Thursday, **July 6 and August 3** to our parking lot and we will go on an adventure. Call Carol Maron with any comments or questions you have about these summer lunch daytrips.

Our Thursday August 24, twenty of us will go on our special **Goodspeed Theatre** daytrip; there are only three (3) tickets left at \$80 per person so reserve your seat with Carol now, 860-582-9608. We will enjoy the musical "Oklahoma" after having a full lunch at the Gelston House next door. You don't need to be a

Young-At-Heart person, anyone can attend, but checks are payable to: "Immanuel Young-At-Heart". Total amounts and old balances are now due in July – in the office or see Carol or Joyce. We plan to meet in the church lot at 10:30 on Thurs., Aug. 24 and carpool down to East Haddam, CT. Join us !!

Our next lunch in the old School Basement will be held on September 7, the first Thursday, at 11:30. It's a **Planned Potluck** which means everyone should try to bring food to share according to their last name. If your name begins with *A thru G* – bring any **yummy dessert**; *H thru N* – bring a **Cold Dish**; then *O thru Z* bring a **Hot Dish**. See the purple flyer in our glass enclosed cases by the back entrance doors for food ideas. After lunch we will enjoy playing your childhood version of **BINGO** and we do have lots of prizes !!

Other summertime activities we suggest, besides our three daytrips, are visiting our homebound members and playing cards on Mondays at 1 pm in the Parish Center with our Adult Fellowship group. Take a look at our glass enclosed bulletin boards near the back entrance for trip ideas with area Senior Centers and other Young-At-Heart activities.

Enjoy your summer and be sure to greet one another at our 9:00 am summertime church service.

Letter to the Congregation from the Board of Finance and the Council

Dear Voters, Members and Friends of Immanuel,

As you know the past few years we have continued to pass very challenging budgets with the expectation that the next year will provide better opportunities and blessings. Each year during the holidays contributions have been very generously given which has kept our budgetary needs covered. In addition, we have received any number of special gifts that have provided support at critical times, and we have seen continued involvement in Thrivent choice dollars. We continue to thank you for contributing and directing those dollars to Immanuel as every gift helps.

As the school year ends and summer begins, contribution levels and school tuition payments decrease, and the deficit that was projected at the time of passing the budget is developing more significantly this year. At the present time we have drawn down on the line of credit by \$99,500. We have seen our school enrollment expand and we would like to continue to support this important ministry.

What can we do to help? Collectively we would ask that if you can increase your giving in any way it would help. If everyone would increase their giving by any percentage each week or month, it would go a long way in reducing the deficit. Continue to access your Thrivent choice account and direct those dollars to Immanuel, as this will not cost anything other than some time but will provide ongoing benefits to the church and school. Please note you have to direct choice dollars several times throughout the year, so if you were to add this to your calendar, you would not miss any opportunity to benefit Immanuel.

Finally, special gifts are always welcome. These can be in the form of cash, or appreciated stock or mutual funds. There can be tax benefits to donating stocks or mutual funds (a tax adviser can assist you in determining the potential).

Immanuel starts its fiscal year on October 1, and all Boards are starting the process of setting their budgets for the next fiscal year. It would be great if we can substantially reduce the current deficit and start the next fiscal year in a good financial position.

As always, the Board of Finance and the Council thank you for all of the support and time you provide each and every day to Immanuel.

In His service,

Board of Finance and the Council

✠ NOTICE ✠

Pastor Karner will be out of the office from July 26 to August 9. Pastor David Batchelder will be covering our Sunday Divine Services on July 30 and August 6.

From Jason Krueger, our congregation president:

If you are looking to donate money to certain funds, our Radio Ministry and our Pastor Visitation funds are nearly empty. Both of these funds are important to our Mission. If you have any questions on these two funds, please ask Pastor.

Just a reminder: Proper Church etiquette includes no food or drinks in the pews (with the exception of containers for very small children), and no photography during any of our services. Thank you for understanding the importance of showing God's house the proper respect it deserves.

What Do Our Boards Do? Board of Stewardship

The Board of Stewardship is a very important group for any Church. They are responsible for the Congregation's Time, Treasures, and Talents. There are many ways that we can give back to our Lord and our Church. The first is through our Time. Time to serve our Church is perhaps the most important gift we can give. We give our time to serve on Boards, help with planned activities, and act at all times in a Christian manner. The Board of Stewardship tries to make the Congregation aware of areas where people can serve. The second area is our Tithes. The Board of Stewardship reminds us through our yearly pledge cards how important these funds are for the overall operation of our Church. The final area is our talents. We all have different strengths, weaknesses, interests, and abilities. The Board of Stewardship tries to align people with these talents and abilities into roles that best serve their Church.

If the Board of Stewardship sounds like a good fit for you, please inform the Church office and someone will be in touch with you.

Dear Immanuel Lutheran Church Members and Friends,

In education, the summer months are a time for reflection as well as planning. As I look back at the 2016-17 school year, I realize how much support the school received from the members of the church. This support came in the form of financial assistance, volunteer efforts, gifts, kind words, and prayer. Thank you so very much for all of this support. It made a very positive difference.

Our core teaching staff is increasing by 1.5 members for next year. On the lower level, Mrs. Melissa Baskin will teach PK3, Mrs. Holly Tonn will teach PK4, and Mrs. Deborah Krueger will teach Kindergarten. Part-time PK staff will be announced next week, and the teacher for the Grade 1/Grade 2 combination class is yet to be named. On the top floor, Mrs. Linda Beaudoin will teach Grade 3 and Ms. Susan Szalkiewicz will teach Grade 4. Mrs. Mary Aszklar will teach Middle School Humanities (Language Arts and Social Studies), Mrs. Rosemary Ryskowski will teach Middle School Science and Health, and Mr. Richard Carlson will teach Middle School Mathematics. Students at the middle school level will also be offered World Language, which will further prepare them for high school, where a second language is a requirement for graduation.

The 2016-17 school year enrollment was 62 students. We have a few new families for the upcoming year, and are waiting to hear back from some of our current families on enrollment. Enrollment looks very good for the 2017-18 school year.

A plan is in place to offer sports along with more enrichment opportunities at Immanuel Lutheran School. With enough coaches and sponsors, we can offer sports and activities for all ages and ability levels. If you have an interest in coaching a sport or sponsoring an activity or club, we want to hear from you! In addition to the traditional sports, we would like to offer sports that you can't find in public schools. We need to embrace the unique and liberating aspects of being a private school.

Mr. Tavernier is already planning music for the upcoming year. One big change this year will be a Christmas Pageant on Friday, December 15, rather than recitations at an Advent Service. You won't want to miss this spectacular event that tells the story of Christ's birth. In the spring the students will perform "Echoes of the Hammer," a musical of the story of Martin Luther.

To celebrate the 500<sup>th</sup> anniversary of The Reformation, the school is hosting The Run for Reformation, a 5K fun run/walk for the public, on Saturday, October 28. This is an opportunity for the community to take part in a healthy family-friendly activity, raise money for the school, and draw attention to The Reformation. Hopefully, this will become an annual fund-raiser that gains momentum over time.

I am looking forward to my second year at Immanuel Lutheran School. With the new website nearly complete, everyone will have a candid ongoing peek into life at the school. It is truly a wonderful place.

Yours in Christ,  
Anne Stuhlman, Principal
